

“Look What We Did!” Contest

May 18th - June 21st

Participate in Murray City’s photo contest to show off improvements you have made to your yard or property! We are looking for great projects in Murray City boundaries to share with our America in Bloom (AIB) committee. Show off the before and after photos of what you did! Here are some ideas – paint a fence, plant flowers where they haven’t been before, clean up litter in a field or along a fence line, shape and trim bushes or trees. Projects can be large or small; we want to see any positive changes! The national America in Bloom judges will visit the winning entry as part of their review of our City on June 28th.
